

Charles Manson H.E.B.C.

RICHARD - IT'S ALWAYS

good to hear from you - I've been
a few years working out of
the file. Again. O, WELL - when the
others tell on me + make up

stories they want to believe
because it adds to their job
importance I got to go over
the same old same old so
it can turn the circle in
the chain of command - SEND
your number + I'll call you -

I know you've been used by some
people who called me brother +
one day maybe it will catch
up - you + I are still solid as
far as our concern - I did ask

+ good friend to help me
+ I explained - will be in contact

Easy Charles Manson

PS if I get OUT
Could you give me a
Job as a bouncer. ?
